

BBC Radio 4's "ANY QUESTIONS" comes to Woldingham

The **Woldingham Association** will be hosting the popular Radio 4 topical discussion programme at the village hall on Friday 16th April. The programme will be chaired by Jonathan Dimbleby.

All Woldingham residents are invited to apply for tickets which are free.

If you would like to be in the audience then you can apply for 1 or 2 tickets by sending a SAE to:

Martin Barnett, Keramos, Park View Road, CR3 7DL

Applications must be received by 10th March.

Around 200 tickets will be available. On the assumption that we may be oversubscribed, we have arranged for a public ballot to be held on Saturday 13th March at 11:00am in the village hall. So please join us for a coffee and witness the draw. Successful applicants will receive their tickets within a few days of the draw.

Please put in your application and then hopefully you will be able to join us on what should be an enjoyable and memorable evening.

The programme will be broadcast live from 8pm. The audience is required to be seated by 7:15pm.

Please note that attendees are invited to submit topical questions on the night which, if chosen, will be put to the panellists.
