

## Local Re-cycling Facilities

### Household Collection:

Household rubbish and re-cycling is collected weekly in Woldingham. For re-cycling, we are requested to use a green box for glass bottles and tin cans and blue bags for paper & cardboard and plastic drinks bottles.

Large items (such as sofas) can be collected from your home by arrangement with Biffa (01883 712333) up to twice per year for which there is a charge of around £20 unless you receive state pension in which case it is provided free of charge.

### Civic Amenity Sites
