Help us and the Craigmyle Glebe raise funds for the Woldingham Playground

www.woldingham.com/clubs/playground.htm

Want to organise your own event in aid of the playground?

This information sheet tells you the essential things you need to know.

Who are we?

We are two mums who are working closely with the Craigmyle Glebe Committee. To find out more about the Craigmyle Glebe (Charity No. 305147) go to www.woldingham.com/clubs/glebe.html

What are we raising funds for?

- Play equipment, e.g. Adventure Trail, Pod Swing, Rope Climber (see our web page for sample equipment and costs)
- Safer surfacing for play areas such as loose-fill or wet-pour
- Paths and signage for improved access
- Play area accessories, e.g. benches, bins, picnic tables

What are we doing?

- Actively pursuing large grants from companies and charitable trusts
- Liaising with interested groups and events in the village
- Appealing to local families, businesses and individuals for donations
- Researching play equipment and layouts, access solutions and cost-effective suppliers
- Consulting with Play Safely, Tandridge District Council and other playground groups
- Coordinating eBay for Charities donations and organising our own fund-raising events

Why do we need your help?

For two main reasons:

- We need to show potential donors that Woldingham residents support our initiative. By organising your own event you are not only raising funds, but also helping us elevate the profile of the playground and demonstrating community commitment. This is essential for when we make grant applications.
- You are sharing the load in our quest for funding. Fund-raising can become very involved and time-consuming. Some individuals are more skilled than others at organising various different events. Many hands make light work so, the more help we have, the sooner our playground will be the place we would like it to be for us and for our children.

How much has been raised so far?

- Local organisations £1,998
- Private donors £1,100
- eBay for Charities £233
- Local fund-raising events £62
- Gift Aid £123

May 2010, a grand total of £3,516

How can you advertise your event?

Once you have decided when you wish to hold your event, please contact Denise or Julie so that we can advertise it on our web page and through our other advertising initiatives.

How can you give money you have raised?

- By cheque – please make your cheque payable to 'Craigmyle Glebe Limited' and send it along with your completed Gift Aid form (available to download and print from our web page) to: Mr K Kipri, Craigmyle Glebe Treasurer, Olympus, Camp Road, Woldingham CR3 7LH
- Through eBay for Charities - go to our web page where you can click on the 'eBay for Charities' link, then select the 'Donate Now' tab (you will need a PayPal account to donate this way)

Where can you find out further information?
