Dear Resident,

A Happy New Year to you all and thank you for the outstanding support both at the public meeting and in terms of the pledges which now stand in the excess of £6000.

We are progressing on several fronts and have appointed a firm of planning consultants and therefore need to call-in the pledges made at the public meeting.

Would you please forward a cheque, made payable to WAG for the amount you pledged (typically £50), to Bobby Johnson at the above address.

We are also writing at this time to all those residents who were not able to attend the public meeting seeking their support.

In addition we have invited the Quarry operator to present his plans to the residents and have contacted surrounding Parish Councils suggesting a joint approach to the whole matter. We will keep you informed via the Woldingham Village website and by the notice board in the Crescent meanwhile please forward your cheques as requested.

Thank you in anticipation,

Keith Newell
