

## Woldingham Parish Council Grants

The Parish Council budgets £5000 per year to support projects led by residents or community groups. An example of a previous grant is cushions for the chairs in the Village Hall. We allocate money usually in our November meeting but do consider grants if they are needed during the year - **please return this form to Karen at [parish.clerk@woldingham.com](mailto:parish.clerk@woldingham.com).**

DON'T BE SCARED OF APPLYING..... this form is to help you apply, it doesn't need to be a huge document. We just need the core information of what the money is for and how it will help the Woldingham community. Feel free to reach out to get support in doing this. We are here to help your great ideas to become reality and improve our community.
