- 2024/330 Woldingham School, Marden Park, Woldingham CR3 7YA TBC by June 10th FAO John Robinson Refurbishment works to swimming pool building including replacement of existing glazing, recladding of walls and roof including reconstruction and enlargement of existing porch entrance. Addition of a hard-standing plant area to accommodate Air-Source Heat Pump to the outside of the existing plant room. Provision of a back-up LPG storage tank to existing hard-standing area to the north-west of the site together with a new underground fuel line between the swimming pool and existing hard-standing area.

The Parish Council voted no objection

- 2023/1154/PA Hurst Place, Woldingham Road, Woldingham, CR3 7LS Demolition of existing building and construction of 12 apartments. (Application for prior approval under schedule 2, Part 20, Class ZA) (Amended Plans)

The Parish Council discussed and agreed that whilst some areas of the ZA rules have been addressed in their previous objection, there were still areas which do not so will respond to point out the areas which still do not conform.

The Parish Council voted objection.

**5b. Infringements:** Cllr Holbrook, Head of Planning advised that the following infringements were outstanding 1) Woldingham School adventure area -(built form and tree felling in the AONB that is outside the area of the recently refused planning app). It was agreed to continue to track this. 2) Woldingham School 'car park' at front entrance, field still being used as a car park; 3) Foxbury fencing around football pitch: Cllr Holbrook advised that the cameras had been removed and the fence bordering the football pitch adjoining Foxbury was approximately 6 metres high. He agreed to follow up with photos to understand the impact of the high fencing, as given the height, normally planning permission would be required.

Cllr Mann left the meeting at 7.42pm.

The Chairman advised that further correspondence had been received from Russell Hicks regarding the unpermitted car park at Woldingham School and reminded Councillors that given agricultural land can be used for 28 in a year for such purposes, evidence must be collected and dated to establish if the usage exceeded this and there was an enforcement case to be made. Cllr Hoble-Aldersley recommended an external consultant be hired for one week to monitor the parking. The Parish Council discussed but noted one week could not yield useful data and instead agreed that they would establish a rota and monitor the car park for a period of 2 months, which would yield enough data and a good picture of how often the car park is in use and whether it is breaching the GPDO 28 days per year rule, which would then mean that a full planning application would be required..

Cllr Mann re-entered the meeting at 8.01pm

**5c. Planning List:** The Parish Council agreed that they would review which applications would go on the Planning List to call into TDC Planning Committee at each monthly meeting:

The list was amended and agreed as follows:

Land East of Tillingdown 2023/1430, The Warren 2021/8.

A discussion took place and a few alterations were suggested to make the policy clearer. The Council agreed to the policy subject to the suggested amendments. Cllr Hutchinson will update and recirculate to the Parish Council. The policy will then be posted on the website.

- c. **End of Year Accounts:** The Head of Finance Cllr Hutchinson had circulated the accounts produced by the Clerk and audited by the Internal Auditor. The Parish Council voted that the accounts showed a true record of the financial situation as at the 31.3.24. Cllr Hutchinson gave thanks to the Clerk and the Internal Auditor for their work and the Chairman thanked Cllr Hutchinson for his diligence.

## 7. Miscellaneous Matters:

- a. **Chalk Pit Quarry Application:** - no update
- b. **Donation of land at Halliloo Valley Road:** The Chairman attended a meeting with the resident. Only then can the Parish Council discuss and vote on whether they accept the donation of the land.
- c. **D-Day Celebrations:** The Vice Chairman advised that the celebrations will be a simple affair held on the Green next to the flagpole. The Clerk had contacted Reverend Catherine who is happy to lead the tribute at 9.15pm when the Beacon is lit. The Parish Council agreed and voted that the Clerk approach TVA and ask them to submit a grant request. The Vice Chairman will send the Clerk the contact details.
- m. Butlers Dene/Croft Road request for road repair funding:** The Chairman advised that correspondence had been received from the Chairman of Butlers Dene road fund to ask for contribution towards the road repairs. A long discussion took place and the Parish Council agreed and voted to not support this claim as it does not meet the criteria on the proposed CIL Policy. The Chairman will go back and speak to the road fund Chairman.

The Clerk reminded Councillors that we had received a request from Croft Road asking for a contribution to the repairs. The Council had voted to delay decision until it was certain that the Council would receive CIL funds. As funds were being submitted to the Council in two days, the Council agreed to take up the matter. It was agreed as that this is a road used by many residents, clubs, Church and a School they would be prepared to finance up to a third of the cost up to a maximum of £5,000. The Clerk will respond to the resident and set up a meeting with either Cllrs Holbrook and/or Hutchinson.

- d. Speedwatch –** The Chairman read out the following report sent in by the team leader of the speedwatch team for March.

The very wet weather in March severely curtailed Speed Watch activity to five sessions. Results were almost identical to February, where we recorded 65 vehicles exceeding the 36 mph threshold, representing 17% of all vehicles mainly entering the village along Northdown Road.

One individual was heard complaining about Speed Watch and how it is ruining driving in the village, though he failed to mention that he was caught at 45mph along a 30mph road.

We require more volunteers to enable us to provide the necessary deterrence that our presence has on traffic speed, so please volunteer. We do need the extra help

## **9.Reports**

District Councillor North advised that a healthy debate had taken place at Full Council on 18<sup>th</sup> April regarding a Motion to remove the out-of-date evidence supporting the Local Plan (which has been
